

FOR IMMEDIATE RELEASE

The 5th Anniversary AIA Carnival Takes Off in December!

November 20, 2018, Hong Kong – The AIA Carnival, title sponsored by AIA, is once again returning to Hong Kong, celebrating its 5th anniversary from December 14, 2018 until February 17, 2019. Since its inception in 2014, The AIA Carnival has welcomed over four million visitors, hosted over 500 live entertainment events and introduced over 120 new rides. This year, The AIA Carnival has introduced a bold new logo and a look that represents the organiser’s intentions to blend the traditional elements of a European Carnival with futuristic sights, sounds and technology.

Mr. Knattapisit Krutkrongchai, Chief Marketing Officer of AIA Hong Kong & Macau, said, “We are pleased to be the title sponsor of the city’s signature annual festive event – The AIA Carnival – for the fifth consecutive year to demonstrate our brand promise of helping people live healthier, longer, better lives. We strongly believe that living better lives goes beyond physical health – staying in a good spirit, having precious and unforgettable memories can also advocate mental and physical well-being. The AIA Carnival is exactly the place where families and friends can have fun together across various festivities including Christmas and Chinese New Year, and bring to life the essence of better living.”

Mr. Alex Gibbs, Chief Marketing Officer, The Great European Carnival Limited, commented, “We are thrilled with the public’s response to The AIA Carnival last year where we received over 97% satisfaction from our visitors. We continue to set our standards higher each year and the continued and tremendous support from AIA and our other sponsors and partners has allowed us to make brave new changes. Our teams are proud that The AIA Carnival has now become an important part of the end of year and New Year celebrations for Hong Kong people and tourists. The ship carrying all of our rides is on its way, an amazing array of toys are ready to be won, and our entertainers, acrobats and showmen are suiting up for a fresh new season of joy!”

The Great Circus of Europe from the United Kingdom returns for the second year, with a completely new and thrilling line up of the world's most jaw-dropping and breath-taking acts. World class producers, Gandey's Circus, have toured the world to find a spectacular array of international circus superstars to be presented at The AIA Carnival. Guests will find themselves on the edge of their seats as they watch acrobats twist and turn upside down, the strong man get run over by a three tonne truck and some of the world's most daring performers push themselves to dizzying new heights. The Great Circus of Europe opens on December 14 until February 17, running 2-4 shows per day from Tuesday to Sunday.

The plush toy prizes this year are by far the best The AIA Carnival have ever presented - they are softer, cuter and cuddlier than ever! Some new games will debut this season, ensuring there are more ways to win toys including Baby Groot Game, Jurassic World, Shopkins, Minion Football, Guardians of the Galaxy and many more.

Hong Kong celebrity chef Christian Yang, known as 'the Culinary Magician', will oversee and endorse The AIA Carnival's food section and introduce a special range of "Carnival Eats". He has made it his mission is to inspire and collaborate with vendors to create dishes and snacks that will tantalise the tastes of every palate.

Throughout December and January, the AIA Carnival will be running a series of competitions which will give the Hong Kong public an opportunity to win great prizes. The competitions and giveaways will be held both at the Carnival and throughout Hong Kong. To find out more information to participate, register to sign up for our newsletter at www.TGEC.asia or follow the Facebook page www.facebook.com/AIACarnival. The first competition will be announced on December 1.

Finally rounding off the carnival experience is a wide variety of rides, installations, selfies boards and both a street and stage entertainment programme, many of which can be enjoyed by visitors at no cost.
