**Carnival Highlights:**

- **Rides** – Exciting new rides will be making their debuts in Hong Kong, such as
  - The Ghost train that would give riders thrills as they cruise through the spooky scenes.
  - The ever popular Starflyer which provides bird’s eye views of the Central Harbourfront will be returning to Hong Kong
- **Toys** – A wide range of new toys will be joining this year’s AIA carnival, giving toy lovers the chance to win some of the newest characters from the latest shows including Abominable, The Snowman and The Snow Dog, and Marvel superheroes such as Deadpool, Ironman, Spiderman, Thor, Captain America etc.
- **Food** - A great variety of scrumptious carnival treats will be brought to this year’s AIA carnival that would certainly satisfy visitors’ taste buds including carnival favourites like cotton candy, popcorn and curry fish balls.
- **The Great Circus of Europe: Unbelievable** from the United Kingdom returns for the third year with fresh new line up.
- **Hong Kong Celebrity Chef Christian Yang**, known as ‘the Culinary Magician’, will be returning to oversee the Carnival’s food selection and will work with our vendors to create all new tantalizing carnival treats, in order to further elevate our F&B selection.
- Mixture of **photo opportunities** will be available for public to enjoy, including an English Fairy Light Garden and a Dinosaur Park.

- **Community stage programming**, performances by various community groups including dancing & singing which can be enjoyed by visitors.
- Every popular **Entertainers** will be back to entertain the crowd with music, tricks and so much more.
- **Sustainability**. Carnival team will be implementing several different environmentally friendly initiatives at the Carnival including reducing and recycling waste.
- **STEM program**. Carnival team makes learning exciting by using the carnival to help students learn about science, technology, engineering & mathematics.

### **Circus Performance Highlights:**

The Great Europe of Circus by UK Gandey's Production "**Unbelievable**" will be led by Ringmaster Ryan this year to bring a world-class entertainment line-up to Hong Kong.

- **CLOWN DUO**  
Be ready to laugh your head off watching our Clown Duo's hilarious entertainment with their hysterical antics!
- **ROLA ROLA**  
With perfect precision, watch as this balancing artist rises to great heights while maintaining his balance on the most difficult combination of objects.
- **SWINGING TRAPEZE**  
Hailing from Chile, this one of a kind swinging trapeze artist is free as a bird and as elegant as a ballerina. Watch her spread her wings and soar from the very top of the Circus big tent.
- **LONDON SHOWGIRLS**  
Famed for their remarkable beauty and fabulous talent, the legendary London Showgirls are masters of precision dancing.
- **AERIAL STRAPS**  
This couple takes their relationship to a whole new level, literally. Watch as they dance and twirl in romantic embraces. The lady hangs in the air merely by her hair. The mind-blowing act will definitely capture audiences' minds.

- **LASER GIRLS:**  
Laser girls appear in all glitz and glam with stunning laser setting that illuminates the big tent.
- **LOVE STORY:**  
Three hilarious yet lovey-dovey mascots will tell you their love story in their world!
- **MOTORBIKES IN THE GLOBE OF DEATH**  
Prepare to be thrilled as audiences watch three motorbikes going full speed in perfect sequence in a metal globe.
