## **About the Great European Carnival Limited (TGEC)**

The Great European Carnival Limited is the producer of the annual Hong Kong event now known widely as the Carnival. The Carnival takes place between December and February each year, on the Central Harbourfront Event Space. The event features amusement rides, carnival skill games, performances on a community stage and The Great Circus of Europe. This year the Carnival will run at the Central Harbourfront Event Space from December 12, 2019 to February 16, 2020.
